

Home Connection™

Motorisation - create a simple, safe, smart home

The Art of Window Styling

HomeRemote™

Home Connection™

Create a simple, safe, smart home

Imagine blinds that **adjust themselves** automatically throughout the day creating the **perfect ambience** morning and night.

Introducing Home Connection™ **Smart Blinds** by Luxaflex®.

Customise your **ideal** combination of light and privacy, keeping your home in sync with the time of day and **your schedule**, while providing added security.

The Home Connection™ system fits perfectly with today's connected modern lifestyle. It lets you control all of your window blinds from your smartphone, tablet or our sleekly designed HomeRemote™.

Create a simple, safe, smart home with Luxaflex® Home Connection™

With **NO** hanging cords or chains, Luxaflex® Smart Blinds are designed to help keep those **most precious** to you **safe** in your home.

Home Comfort

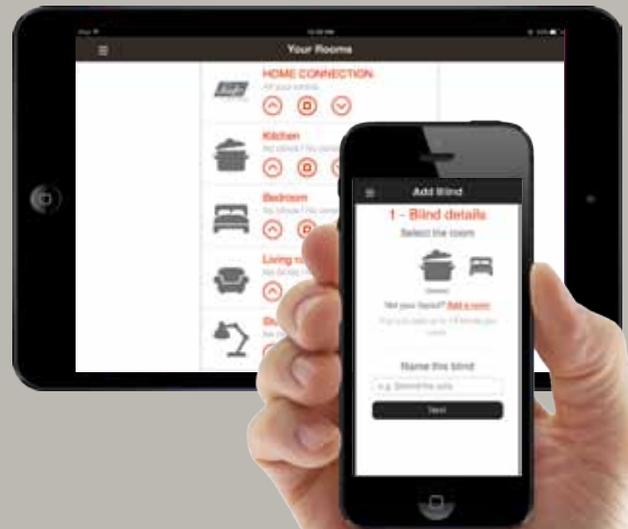

Created for smarter living, Luxaflex® Home Connection™ is the perfect blend of design, comfort and innovation. It's sheer luxury and is the ultimate style-statement.

HomeRemote™

At the touch of a button, raise, lower or choose your favourite blind position with our stylishly designed Remote Control.

HomeApp™

Control your blinds with your phone or tablet with the Luxaflex® HomeApp™. Create personalised schedules that can simplify and enhance your daily life. Control your blinds from anywhere at any time.

Home Time

Create customised schedules that enhance your daily life

The Luxaflex® HomeApp™ allows you to create customised schedules that are designed to help make your daily life easier, giving you more time to spend on the things that matter the most to you.

Morning Time

Waking up to natural light is the most beneficially healthy way to start your day. With Home Connection™ you can set your blinds to open as your rising time approaches so you wake up naturally stimulated by the morning sunlight.

Home Time

Particularly in the winter, coming home to a cosy home is what we look forward to the most. Having your blinds scheduled to close before you arrive can create the ideal homely ambiance.

Home Security

Stay connected to your home

Peace of mind that your valuables are safe when you are not home is so important, especially when you are on holidays.

With the **Luxaflex® Home App™** you can schedule your blinds to give the appearance that someone is at home and deter any potential burglars

With Home Connection™ you are always connected to your home.

Home Simplicity

Getting started couldn't be easier

Home Connection™ is the seamless integration of today's smart technology with the beauty and style of Luxaflex® blinds. Ideally suited to the needs of modern living, our control systems are intuitive to use and simple to set up.

HomeHub™

At the heart of HomeConnection™ is the Luxaflex® HomeHub™. It stores all your preferences, schedules and security timings. It works via the internet, so you can always stay connected to your home, no matter where you are.

A Wi-Fi connection is essential for HomeHub™ operation.

HomeApp™

The Luxaflex® HomeApp™ controls your blinds by smartphone or tablet over your Wi-Fi via the Luxaflex® HomeHub™, it can also be accessed from anywhere at any time over the internet. The HomeApp™ must be used in conjunction with the HomeHub™.

Simply download the app and follow the step-by-step set up guide. The Luxaflex® HomeApp™ is compatible with many major home management systems and Apple® iOS and Android™ tablets and mobiles.

HomeRemote™

With the Luxaflex® HomeRemote™ you can easily and quickly control individual or rooms of blinds all at the touch of a button. It operates directly with your blinds so a Wi-Fi connection is not necessary.

A combination of the Luxaflex® HomeApp™ and HomeRemote™ provides the ideal level of flexibility, control and comfort for your home.

Use a combination of HomeApp™ and HomeRemote™ for the ultimate in control.

Home Safety

Keeping your little ones safe

As children grow so does their curiosity with the world around them. Basic household items, including window coverings, can turn into potential hazards. At Luxaflex® we consider Child Safety a top priority. Making products safer for homes with infants and young children is an integral part of our design philosophy.

Home Connection™ Motors

A simple and cord-free operation, Luxaflex® Motorised Blinds are aesthetically pleasing and inherently safe for children and pets.

Designed
to suit your
modern
lifestyle.

Create a simple, safe, smart home

Comfort and style

Created for smarter living, Luxaflex® Home Connection™ is the perfect blend of style, design and innovation, culminating in the ultimate luxury experience

Smarter living

The Luxaflex® HomeApp™ allows you to create schedules that are designed to make your life easier, giving you more time to spend on the things that matter the most to you.

Simple to set-up

Ideally suited to the needs of modern living, our control systems are intuitive to use and simple to set up. Luxaflex® HomeApp™ is compatible with many major home management systems and Apple® iOS and Android™ tablets and mobiles.

Child safe home

Motorised blinds are wire-free and have no hanging chains, making your home safer for children and pets.

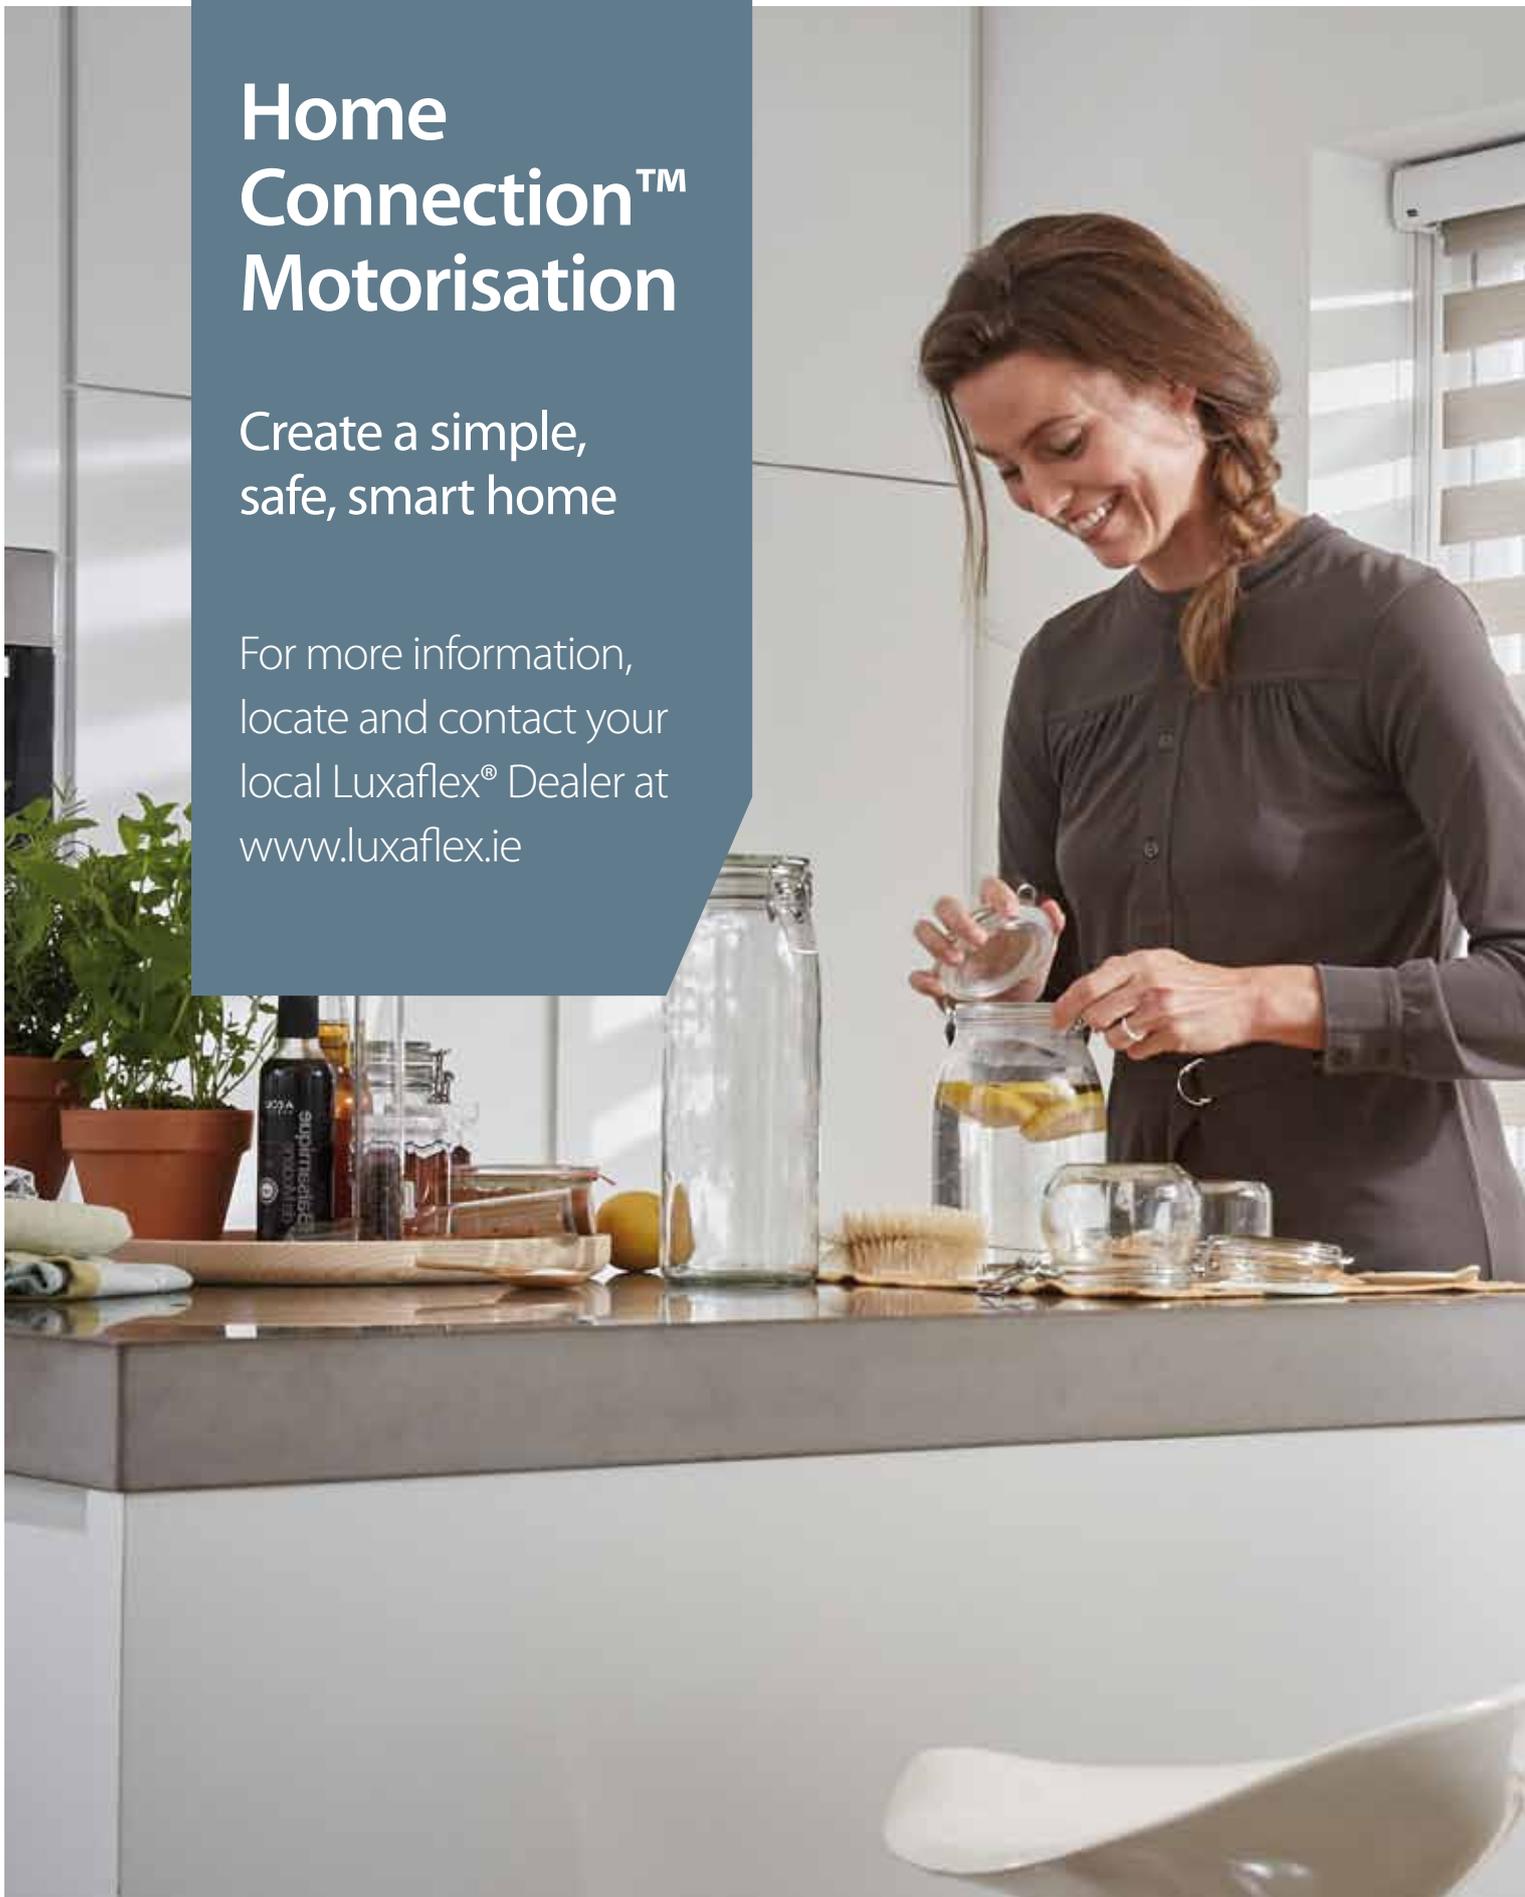

Home Security

Peace of mind that your home is safe while you are away is so important. Why not create a new schedule to give the appearance that someone is at home. This can be done from anywhere in the world at any time with the HomeApp™.

Home Connection™ Motorisation

Create a simple,
safe, smart home
